Your Order Agreement

I agree to let Happy Dance Quilting cut and transform the items I provide into a quilt

You'll get to see a digital proof of your quilt before creation. Complex change requests (which are extremely rare), such as creating an entirely new layout, will incur extra costs (starting at \$25) since that time is not accounted for in our regular pricing

I understand that the deposit I made on my Online Order is not the total cost of my quilt, and that I will get an invoice for the balance once my quilt is finished
